Artist Bio

Danny is an artist, musician, and owner of The Copper Wolf Tattoo Studio & Art Gallery in Tumwater, WA. Danny graduated Summa Cum Laude from the Rocky Mountain Academy of Art & Design with a Bachelor of Fine Arts degree in Illustration. His art is inspired by the human figure, music, and the impermanence of all things.

Artist Statement

I explore impermanence through my artwork and am especially interested in the way that texture and color interact to create emotion and movement. As a tattoo artist, painter, and musician, I enjoy examining subtle qualities in nature and the rhythmic results my attention creates. My nature-based artwork is an outlet to express my varied life experiences and imagined realities.
